

Miércoles 7 de Junio, 2017

MCiB workshop on macromolecular machines

9: 30 Structural basis of RNA polymerase I activation

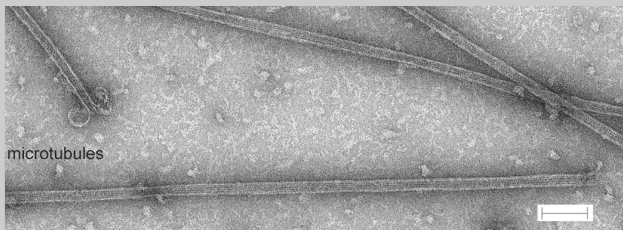

Carlos Fernández-Tornero
CIB, CSIC

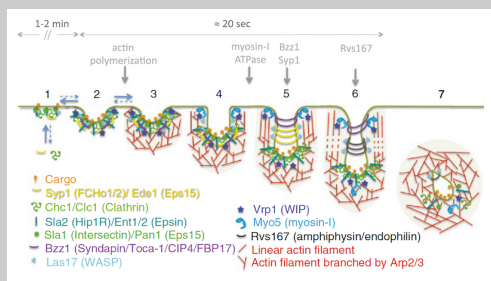

10:30 coffee break

10:45 : Cytoskeletal protein assembly machines, rails and treadmilling filaments

José M. Andreu
CIB, CSIC

11:45 Endocytosis: the never ending story of a basket

**Maribel Geli, Instituto de
Biología Molecular de Barcelona
CSIC**
