SUBMITTER INFORMATION

Name			
Centre/Company			
E-mail		Phone	
Address			

SAMPLE INFORMATION*

Name				Nº cycles**	
Submitted in solution	Volume (µl)				
	Composition				
Submitted in membrane	PVDF type				
	Stain used				
Amount	pmol	µg	Estimate method		
Modifications					
Alkylated (S/N)		Alkylating agent used			
Organism				MW (kDa)	
Theoretical sequence (1 letter)					
ADDITIONAL COMMENTS:					

Date	Authorized Investigator Signature
------	-----------------------------------

BILLING INFORMATION

Investigator			
Centre/Company			
Project		Project H2020 (N/Y)	
Internal account (CSIC users) or NIF/VAT (no CSIC users)			
E-mail		Phone	
Address			

INTERNAL USE ONLY

Sample arrival date		Date of Analysis	
Nº cycles		€/cycle	
Total cost		€	
ADDITIONAL COMMENTS:			

* No biohazard or chemical hazard samples will be accepted

** Two cycles setup fee (blank and standard)

Policy: In case the desired sequencing result cannot be obtained due to N-terminal blockage, interfering buffer components, or low amount of the submitted sample, charges still apply.
